MARKET NEWS AND GRADING DIVISION MEMORANDUM NO. GX-42

To: All Meat Grading Offices

From: R. D. Conklin, Administrative Officer
LIVESTOCK & MEATS BRANCH *R. D. Conklin*

Subject: Mailing of Meat Grading Equipment

It appears that many meat grading offices are returning obsolete or unused meat grading rollers and equipment to the Washington office of the Market News and Grading Division either by express or parcel post. Many small packages, weighing under four pounds, may be sent under frank and heavier packages may be sent under permit No. 7- 745 which would obviate the necessity of forwarding under parcel post. Large shipments should be sent either by express or freight, but should be covered by a Government bill of lading and not sent to the Washington office collect. The required copies of bills of lading may be secured from your Area Administrative Services Division.
